

Building a Vocabulary Card

Build a minimum of 1 vocabulary card using the app of your choice
Email your card to me.

It must include at least the following:

1. The Vocabulary Word
2. Define the meaning of the word.
3. Use the word in a meaningful sentence.
4. Include at least one graphic from the internet or originally made.

1

181A

overcome

Cesar Chavez worked hard to **overcome**, or conquer, hardships.

181B

overcome

What Does It Mean?
To **overcome** a difficulty is to solve it or conquer it.

Think About It.
What character traits help to **overcome** difficulties?

Talk It Over.
Read each situation. Based on the information provided, decide whether the person was able to **overcome** the problem.

Situation	Did the person overcome the problem?
The firefighter rescued the kitten from the tree.	
I lost my homework, and I still cannot find it.	
My mother missed her plane and won't get to her meeting on time.	
The battery in my toy died, so I replaced it with a new one.
