

Daily Timed Multiplication Fluency Tests.

Each day students take a timed fluency practice.

1. Open the iPad to the stopwatch app.
2. Have your X test ready, start the timer and begin the test.
3. When you finish, stop the timer.
4. Correct the test with a calculator or using the answer sheets at:

<https://dbechtold.weebly.com/x-test-answer-sheets.html>

5. After correcting the X test enter the data in the Google Format :
