

Respond:

Strategy
Drawing Inferences

Why did Lewis and Clark decide to continue traveling by canoe rather than by horse?

Respond:

Strategy
Quote from text/
Draw Inferences

Describe Sacagawea's character and her importance to the expedition.

Respond:

Strategy
Text Evidence

What evidence does the author provide to support the idea that the Great Falls was a major obstacle to the progress of the expedition?

Strategy

Text relationships

What was the overall purpose for this expedition? Support your answer using details from the story.

Respond:

Lined writing area for the 'Text relationships' section.

Strategy

Cause/Effect

Lewis and Clark were unsuccessful in their quest of finding what they were in search of. Despite this, why could the expedition still be called a success?

Respond:

Lined writing area for the 'Cause/Effect' section.

LEWIS AND CLARK
