Read Chapters 14-16. Discuss the answers to the following questions with a partner if possible. You could use an app that you are most familiar with if you have a friend in reading class. Then each of you should write your answers separately and make sure you restate the question within the answer.

1. How did Nicomdemus get to NIMH?
2. Describe the test the rats went through.
3. Why was Justin confident that Dr. Schultz would NOT harm him, even if he attempted to escape?
4. How did the rats feel about being at NIMH?
5. Why did they feel this way?
6. What did the scientists learn about the experimental rats as a result of the escape attempt?
7. What did rat A-9 discover while he was out of his cage?
8. How were the lab animals labeled by the scientists?
