## **Red Fern Chapter 19**

Answers must be in the form of a complete sentence. Restate the question in the answer. All sentences start with a capital and end with punctuation. Avoid the use of pronouns UNTIL you have used the antecedent in order to avoid pronoun confusion. Focus on good word choice in your answers where possible.

1. By the name and the geographical location in the United States infer how the "Cyclone Timber country" was named?

2. After the dogs had treed the animal 3 times, what made Billy believe it was a bobcat rather than a raccoon?

3. Billy explains that he didn't like his dogs hunting bobcats because the cats always cut up his dogs and bobcat fur wasn't valuable, but Billy does tell one benefit to hunting the cats. What is one positive aspect from Billy's point of view?

4. In your opinion, should predatory animals be hunted? Support your opinion with details and explain your reasoning.

5. What was the animal that Old Dan and Little Ann had treed? Give at least three different names for this animal. Then give your best antonym for the animal.
