Dear Anna,

We are having fun in Mexico, despite a stunami of chores before we left Laredo. I think the cargoe includes everything but a mattress! Our carivan of three left early while it was still dark. I was still in my pajammas! While we drove along, I read *The Black Stallion*. That horse is so gallent. He reminds me of Old Yeller. For lunch today, I ate a buritto with saulsa and vannilla flan in a little plazza. Yesterday, during my midday seista in a wovnen-rope hammack, I watched a fat, lazy igauna on the hotel pattio. I named him the Green like how Alec named the stallion the Black. Today I am shopping for a ponchoe to protect you in wild weather.
