A Royal Mystery

Think Like an Actor

Do you want to be an actor? You need to study the text. When you study a character's dialogue, or the words a character says, you will get a better idea of what the character is like. If you take notes, you can play the part even better!

Read page 52, Scene II. Look for dialogue that tells you about what each character is like. Write the line from the play and tell what it says about that character.
